

Guided Walk in Vaasa January 19, 2022

Part of the *Get Together Network*
Talent Coastline Employment project
www.talentcoastlineemployment.fi

Our guide Henrik Fågelbärj leading the group of some 45 people through the city center and telling about its people, history and buildings.

The walk started and ended at the city hall and the route covered many of the important statues in the city center and many interesting stories were heard.
