Onkilahti Park, Vaasa**

On Tuesday 21.6 the sunny weather helped to attract around 50 people to Onkilahdenpuisto in Palosaari for an evening with mingle, games and dancing. Despite the windy conditions, we also managed to warm up 'karjalanpiirakka' for everyone to taste.

Many of the participants tried the Finnish traditional game 'mölkkyy'.

A new broomstick game was introduced! A fun, easy but eventful game that resulted in many laughs.
