

Vaasan yliopisto
UNIVERSITY OF VAASA

We want to help you make Vaasa your new home!

Relocating to a new country is exciting, but we also know it can be challenging at times. On the journey to make Vaasa your new home, the Vaasa Spouse Programme will help you to settle in socially and professionally.

Are you an international spouse living in Vaasa, and are you looking for support to rebuild your social and professional network? Join our Vaasa International Spouse Programme with a supportive community to find new friends and career related guidance.

Join our program if:

- You want to make new friends
- You are looking for a supportive community
- You want to learn more about living in Vaasa
- You want guidance on how to enter the local job market
- You want to expand your professional network
